

CW WALKER MEDAL – 1st GRADE WICKETKEEPING TROPHY

In 1962 an anonymous donor provided £500 for an annual trophy for wicket keepers to perpetuate the memory of Charlie Walker. Walker was the former South Australia wicketkeeper who toured England with the 1930 and 1938 Australian sides, and was killed flying a bomber over Germany during the Second World War. At a District cricket level, Walker represented West Torrens and Prospect, captained the latter side of four seasons between 1936-37 and 1940-41.

The CW Walker medal is awarded to the most outstanding wicket keeper in the men's 1st Grade, as well as the Under 17 Shield. Each umpire in these matches has available 10 votes for each wicket keeper, these votes to be allotted for the performance of the wicket-keepers in that match. A score between 0 and 10 must be allotted to each wicket-keeper.
