

SPIRIT OF CRICKET AWARD

Several seasons ago Cricket Australia launched a number of spirit of cricket initiatives. In line with these initiatives, the SACA launched three club Awards - one for senior men's, one for senior women's and one for Umpires awarded points out of 10 to each team in every minor round game, taking into account issues such as:

- The team captains control of players
- Upholding the traditions of the game
- Language
- Sportsmanship
- Attitude towards umpires
